To contact us, you can:

WHAT LEGAL ISSUES CAN VALS HELP ME WITH?

Overleaf, we have provided a Disaster Recovery Legal Help Check to help with identifying potential legal issues.

VALS can only provide ongoing assistance with the issues in the Disaster Recovery Legal Help Check that have the VALS logo  next to them. However, we would be happy to talk to you about any of the issues in the Disaster Recovery Legal Help Check and connect you to another service where necessary.

Alternatively, you can contact another service directly. See the List of Other Services on page 3.

AM I ELIGIBLE FOR LEGAL ASSISTANCE FROM VALS?

VALS may be able to provide you with information, referral to another service, discrete advice or ongoing casework.

We can only provide discrete advice or ongoing casework to Aboriginal and/or Torres Strait Islander people who meet our financial eligibility test, where there is no conflict of interest.

Before we can open an ongoing casework file for a person, they must provide VALS with sufficient confirmation of Aboriginality.
